*Ron Sheridan
* Current Members of Old Boys Club.

New Members Inducted 2007

Mick Wilson
Pat Yeo
John Cook
Mick O'Neill

CYMS President Kevin Walkom introducing new Life Members at the 2007 CYMS Re-Union.

New members Mick O'Neill, Mick Wilson, John Cook and Pat Yeo have served the club very well over the years.

Initially as players and then committee or in executive positions and in which some are still involved.

Shane Madden also received a new award for long service to the Club as a player and committee man spanning 19 years.

This is one of the new awards to recognize individual efforts with people connected to club as players or committee.

I am sure that there will be more people recognized for their efforts during the next few years.

Most other Life members are still actively involved with the Dubbo CYMS RLFC or the Old Boys and other league bodies.

Note

The Dubbo CYMS RLFC executive including existing Life Members has recently formalized the procedure for recommending persons for Life Membership.

This has been done to avoid any confusion or embarrassment for persons being nominated.

There are many people who have served the football very well over the years and their efforts should be recognized in some way if not fully eligible as life member.
